

February 7 through 13 is Boy Scout Week, and Mayor Ray Toft signed the proclamation last week making it official in Antioch. Watching the Mayor sign are Mike Harland of Cub Pack 86; Rich Warsing of Explorer Post 91, & Jim Rockow of Troop 91.

Hearing On Zoning Ordinance Next Wed.

The public hearing on Antioch's new Zoning Ordinance will be held next Wednesday night, February 9, at the Village Hall in Antioch, starting at 8 p.m.

Copies of the zoning ordinance and the map are available at the Village Hall for \$3.00. A copy that may be studied without charge is also available at the Village Hall.

Members of the Zoning Committee who drew up the new ordinance are Chairman Robert Wilton, William Lahti, Arthur Laursen, Robert Wilton, Sr., Ernest Glenn and David Nissen.

The ordinance as now presented to the public is a compilation of the first proposed

zoning ordinance, plus changes made by the committee after studying zoning ordinances of five other towns, and considering objections to the first zoning ordinance.

After the zoning hearing, should the village board approve the ordinance, it will be up to Mayor Raymond Toft to appoint members of a Zoning Board of Appeals. Anyone wishing a change of zoning may then present his request to the new Zoning Board.

Committee member David Nissen said there would be a slight charge connected with such requests. In his opinion, he said, the charge would be nominal, however, the amount would have to be set by the board as a whole.

C.C. Plans Big Evening

Dinner, Dancing and Installation of Officers for 1966 are all part of the big evening being planned by the Chamber of Commerce for Saturday, evening February 12.

The festivities will be at Lorenz's Smart Country House, with a cocktail hour starting at 6:30. Dinner will be served at 7:30 p.m. William Brook will be master of Ceremonies for the evening.

Music for dancing will be furnished by the Rhythm Kings. The ladies will receive corsages.

Tickets may be obtained from John F. Romer, Earl Stringer, Ray Jensen, Preston Reckers, Richard Erickson, Jerrell S. Babb, George W. Hahn, Louis Simon, Dale Starkey and George Camp-hausen.

Kerner Proclaims Feb. 4 USO Day

Gov. Otto Kerner has officially proclaimed Friday, Feb. 4, as USO Day throughout Illinois. In his proclamation, the governor said that hundreds of thousands of dedicated USO volunteers from all walks of life have ministered to the social and spiritual off-duty needs of men and women in the uniform of their country during the last quarter of a century.

"The unselfish service and the inspiring programs of the USO have helped sustain the morale of generations of fighting men by demonstrating the concern of the civilian community for their welfare and in so doing have earned the gratitude and the support of millions of Americans," the governor said.

Feb. 15 Deadline For Vehicle Sticker

February 15 is the deadline for buying your Antioch Vehicle sticker.

Chairman of the Police Committee Arthur Meierdick announced at Tuesday night's board meeting that Police Chief Jack Heick and his force will start ticketing motorists without the stickers on the morning of February 16.

The stickers cost \$6.00. There will be a \$2.00 penalty after Feb. 15.

Stickers must also be purchased for motor bikes and trucks. All stickers may be purchased at the Village Hall.

Open House At Grass Lake School

The public is invited to tour the new addition to Grass Lake School at an Open House to be held Sunday, February 13, from 2 to 5 p.m.

Board President Robert Hart announced last week that the Board of Education of the school will host the Open House. Coffee and cookies will be served during the afternoon.

Construction of the \$139,000 addition began last July 1. A gymnasium was added with a stage, showers and locker room areas. Four classrooms plus a set of washrooms were also added to the present building.

Shriners Elect New Potentate

Albin R. (Obby) Anderson is the new head of Chicago's 22,000 Shriners.

Anderson was elected Potentate for 1966 in the annual election Friday night. He succeeds Yngvar Brynildsen.

Medinah's new potentate is a native Chicagoan and a northwest sider virtually all his life. He lives at 1639 N. Normandy Ave. A pioneer in the rental of tools and construction equipment, he is founder and president of Portable Tool Sales & Service in Chicago, and president of Knives & Saws, Inc., and the Poto Corporation.

Potentate Anderson graduated from Austin High School and attended North Park College. He's been a member of Medinah for two decades. He was commander of Medinah's famous Motor Corps. Under his direction, it won the International Shrine championship.

In addition to Medinah Temple, Mr. Anderson also holds membership in Geneva Lodge No. 130, Ancient Free and Accepted Masons; Scottish Rite, Valley of Chicago; Chicago Commandery No. 19, Knights Templars; Royal Order of Jesters Court No. 48; Northwest Shrine Club and other Masonic organizations.

The new Potentate and other officers were formally installed at an open installation in Medinah Temple at 5 p.m. Sunday afternoon.

Live Theatre At High School

The Fine Arts Department of ACHS will present an evening of live theatre on Thursday, February 10th. Three one-act plays have been chosen to afford student actors and stage crews an opportunity to practice their crafts. Curtain time will be 8:00 p.m. for this single performance in the high school auditorium.

The first play on the program will be "Two Crooks and a Lady" by Eugene Pillot. This exciting melodrama is a standard, well-made selection for high school groups. James Corrigan is directing it.

"To Burn a Witch" by James Bray will then be presented. Set in Salem, Massachusetts, in 1693, this serious drama depicts the plight of two young women who have been accused of being witches.

The third and last play will be a cutting from William Shakespeare's "A Midsummer Night's Dream." Two brief scenes, which show the clumsy efforts of amateur actors to rehearse and to perform an ill-chosen script before their king, built to a farcical climax. Don Beveroth is directing this, as well as the preceding play.

Although the production has been scheduled for educational reasons, the public should be entertained as well.

Soldier In Viet Nam Grateful For Home Town News

Russell R. Maschek, present address Viet Nam, recently wrote a letter to Mrs. Dora Auston, president of Unit 1219 of the American Legion Auxiliary of Lake Villa, to thank her for a gift subscription to the Antioch News.

Russell, whose home town is Lake Villa, is receiving the newspaper as a part of the Legion Auxiliary's Operation Home Town News. Soldiers overseas who wish to receive their home town paper receive it on request through arrangements made by their local Auxiliary.

Russell's letter of thanks to Mrs. Auston came from Da Nang, expressing his appreciation. The boys in Viet Nam, he said, are glad to know that the folks at home are thinking of them. He apologized for the shortness of his missive, but said there wasn't much free time.

Gold Weather Keeps Attendance Down

P. M. & L.'s production of LITTLE MARY SUNSHINE opened last weekend. Bitter cold-weather-limited attendance, but audiences responded warmly to the entire show. The "Me Hea Big Injun" song, the "mirror dance", and the "Cal Mc Uncle" number were particularly well received.

Lake County theatre-goers will have two more opportunities to see this light-hearted musical comedy. Final performances will be given this Friday, February 4th, and Saturday, February 5th. Curtain time 8:30 p.m.

For lovers of good music and for people who like to laugh, LITTLE MARY SUNSHINE is still available.

Annexation Uncertain

The cost of installing sewer and water lines along their lot frontage seems to be the main reason Rinear Road residents are lukewarm about annexation to Antioch. Mayor Ray Toft said after a meeting at the village hall last Tuesday night.

Village officials sounded out the Rinear Road residents some time ago on the annexation proposition. The village would like to install the sewer and water lines through that area so that they can loop them.

About 20 residents of the subdivision attended the meeting. Toft said none of them seemed really opposed to annexation, but were reluctant to spend the money for the sewer lines. Because some of the lots have considerable frontage, he said, individual cost to some might run as high as \$1,400.

Toft said a couple of people were very much in favor of the annexation. The rest have adequate wells and septic systems at the present time.

Toft said they could be annexed at a later date, but the cost to the residents would be greater at that time. If Rinear Road residents decide not to come in to the village, the village will loop the lines around them.

Toft asked the residents to decide for or against the proposition within the next two weeks, so that the village could proceed with work on the lines.

High S. Finds Many Adults Want Diploma

GED Preparation has proven to be one of the most popular adult evening courses at Antioch High School.

Larry Eggleston, in charge of the evening classes at the High School, said officials are "highly gratified at the response to the course."

GED preparation helps the person without a high school diploma prepare for tests so that he can get a diploma. The course has a heavy enrollment, and Eggleston reports that many of the evening students are in their 30's or 40's. Also that they come from all walks of life.

Feb. 7 is the last day for enrollment in the evening courses. Registrations will be accepted at the High School office from 7:30 a.m. to 4 p.m. and on Feb. 3 from 7 to 8:30 p.m. Phone registrations will be accepted.

Courses will meet one night a week for two hours for ten weeks, beginning the week of February 7. Most courses meet from 7 to 9 p.m.

Rescue Squad Calls For Last Week

The Antioch Rescue Squad took Mrs. E. Heppner, 75, of Rt. 4, Box 237, Antioch, to Victory Memorial Hospital January 29.

Maurice Grady, 52, of 998 S. Main, was taken to Downey Hospital Jan. 29. Doris Osborn, North Main, was taken to Victory Memorial Hospital Jan. 30. Cliff Stevens, 55, 67 2nd Ave., Antioch, was taken to Victory Memorial Hospital Feb. 1 after he became ill while working at Stringer Motors.

Flies To Attend Mother's Funeral

Mrs. A. N. Berkke, residing at 1837 Diana Drive in Highland, Florida, for the winter, flew to McKeesport, Pa., this past week to attend the funeral of her mother.

Mrs. Berkke's mother died suddenly last Tuesday. Mrs. Berke has now returned to Florida, where the family will spend the rest of the winter.

New Pump Too Efficient, Says Village Engineer

The village board was told Tuesday night that the pump on the new well is too efficient and will require the installation of a special valve to eliminate "surges" in the water supply.

Quaker Industries, Toft Maplethorpe reported, has had considerable trouble with air compressors caused by the surges. The surge of water thrown into the mains when the pump starts has activated a safety device on the compressors which shuts off machinery. As the safety device keeps the machine shut off for a period of perhaps ten minutes, Quaker has had machinery and men standing idle frequently each

day because of the water supply. There is danger, also, Village Engineer Roger Patzer said, that the surges will build up pressure in the automatic sprinkler system and activate it, causing water damage.

Patzer explained the trouble with the pump as being due to the fact that the pump was purchased with the need for the power to operate with the planned water softener. When the board dropped the

water softener plans, the remaining equipment was downgraded and can not handle the surge.

Patzer said the equipment to remedy the situation would cost \$759, and could be installed by employees of the Public Works Department. The board approved the purchase of the equipment.

Mayor Ray Toft announced that snow removal in January had cost \$1814.35.

Don Gaston, representing American Legion Post No. 748, requested permission of the board to use the village parking lot for the Legion Carnival from July 5 to 10. The request was approved.

Attorney Edward Jacobs

presented a petition for annexation of the Tossey Animal Hospital property to the village. The petition was from Dr. and Mrs. C. P. Tossey. The property is 400 feet east of the So. Line R.R. on the south side of the road. The petition was approved.

Attorney Jacobs presented an ordinance governing sale of liquor in the village to the board. The new ordinance, he pointed out, makes it possible for taverns in the village to stay open an hour longer than before, by paying an extra fee. It also drops three classifications that have been unused, Classes D, E, and F.

Class A liquor license holders, under the new ordinance, may have the privilege of staying open on weekdays until 2 a.m. and on Sundays and holidays until 3 a.m., by payment of an extra \$100. This brings them up to the county closing hours. It affects only taverns.

Class A and B liquor licenses are limited to one per each 800 residents, as formerly.

Class C, for private clubs, are limited to one per each 3,000 residents, as are Class G. Class G is for sale of package beer only.

The board approved the new ordinance. It is published elsewhere in this issue.

John Dupre, Civil Defense Director, presented the Mayor with a certificate accrediting Antioch's Civil Defense organization, and reported that he is now an accredited Radiological Monitor.

Vern Barnstable reported that the brush had been cleaned out of Sequoia Creek up to the Leo Fox property and that Fox has said he will start work to remove the bottleneck on his property.

A letter of appreciation from William Brook, president of the State Bank of Antioch, was read by the Mayor. Brook praised the work of the Antioch Police Dept. during the moving of valuables from the Bank's former location.

The Mayor also read a letter of appreciation from the Chamber of Commerce for the cooperation of village officials in the Chamber's Christmas activities.

Tod Maplethorpe reported that Edgar Simonsen, Supt. of the Public Works Dept., would be back on the job part time next Monday, following his heart attack.

Board Orders Water Shut - Offs

"Pay up or we'll have to shut off the water." That was the final decision of the village board, faced with 30 overdue water bills Tuesday night.

Some of the water bills have been unpaid for three quarters. Some amounts run up in the hundreds of dollars. And some of the bills were owed by persons who have moved away.

Trustee David Nissen said he believed the delinquent bills are in part due to the fact that some people believe that the village can not legally discontinue water service. Some people have informed him, he said, that Health Department would insist that the village restore water service.

Village Attorney Edward Jacobs quickly scotched any such idea. State law, he said, gives the village the right to turn off the water service.

Tod Maplethorpe said the belief might stem in part from the fact that they had once turned the water back on for a resident at the request of the Lake County Health Department. It was not, however, an order from the Health Department but a request. The Health Department readily acknowledged the right of the village to turn off the water. In the case he mentioned, the water

service was turned on for five days, and when the party still failed to pay, it was again shut off.

Maplethorpe asked the board, however, to hold off on the shut-off notices until better weather came. "It's going to be a tough job to find the shut-off valves in this weather," he said, "and we already have all the work we can handle."

However, after more discussion, the board instructed Clerk Clarence Shults to send notices to the delinquent accounts that water bills must be paid in ten days or the water would be shut off.

Set Date For Ladies Night

Saturday evening, February 19, is the date set for the Lions Club Ladies Night this year.

The Dinner Dance will be held at Lorenz's Smart Country House. Dancing will be to the music of Frank Cuden and his band, featuring a girl vocalist.

Entertainment for the evening will be furnished by Billy Bishop and Anne, a comedy team well known in the Midwest.

Lions club members can obtain tickets at the Antioch News, Ace Hardware, State Bank of Antioch, Antioch Savings & Loan and the First National Bank of Antioch.

Antioch Youth Nominated For U. S. Academy

Congressman Robert McClory (R-Lake Bluff) has announced the nomination of an Antioch youth for appointment to the United States Air Force Academy. Nominated from a large group of applicants is Rodney D. Patterson, son of Mrs. Anita G. Patterson of rural Antioch.

Rodney Patterson is a senior at Antioch Community High School where he has been a member of the Science Club and Audio-Visual Club. Rodney has served as manager of the basketball and track teams and has participated in cross-country at Antioch High School.

Congressman McClory has nominated twelve young men from the 12th Congressional District who will compete for two appointments to the Air Force Academy. As in the past, nominations were based on scholastic achievement and ability as well as on leadership potential.

Others nominated include: Kirk Boyenga and Michael D. Dowdall of Libertyville; Larry Short, William H. Middleton and David C. Julian of Lake Forest; John P. O'Keefe of Crystal Lake; Robert J. Mack of Ingleside; Eugene A. Bolda of McHenry; Roy E. Lucke of Fox Lake; John Warnbold of Lake Bluff; and John C. Alberts of Barrington.

Christ Lutheran Has Annual Meeting

Christ Lutheran Church of Salem, Wis., held their annual meeting Wednesday night, January 26.

Activities of the past year were reviewed and a budget of \$26,000 for 1966 was approved.

Council members were elected, and installed at the services on Sunday, January 30. Elected were Norbert Adams, president; Arthur Gustafson, vice pres.; secretary, Mrs. Arthur Buhrow; treasurer, Ralph Antes; chairman of Evangelism, Mrs. Frank Cason; chairman of Property, Arthur Bennett; chairman of Stewardship, Howard Buening; chairman of Parish Education, Vaughn Sorenson; chairman of Worship and Music, Robert Jungkans.

Pastor Alvin Pinke reported that 22 new members were received at the Sunday services.

Suspend Drivers License

The driver's license of Jose B. Sanchez, Rt. 1, Box 191, Antioch, has been suspended following three violations, according to an announcement from the office of the Secretary of state Paul Powell.

Found Dead In Home

Maurice E. Loven, 66 years old of Beach Grove Road near Antioch, was found dead on Saturday, Jan. 29, at 5:30 p.m. in his home. He was born June 17, 1899 in Chicago. He had lived in Oak Park before moving to Antioch permanently 10 years ago. He had spent his summers here for many years. He and his father, Otto E. Loven, operated the Forest Park Jewelry for many years before he retired.

He was a member of the Antioch Lions Club and had been very active in Lionism in Forest Park, where he was a past president of the club. He was a former deputy Governor of the Forest Park District Lions Clubs. He most recently was a district officer for District 1-F in which Antioch is located.

Mr. Loven graduated from Northwestern University in 1921, and was a member of Phi Kappa Sigma Fraternity.

He attended the Antioch Methodist Church. He was a retired jeweler by occupation. He was preceded in death by a brother, Otto E. Loven, Jr., while serving in the Pacific during W.W. 2.

Survivors are two sisters, Mrs. Harold (Vivian) Mills, Northfield, Ill., and Mrs. William (Florence) Dorrance, Sun City, Arizona.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Acacia Park Cemetery in Chicago.

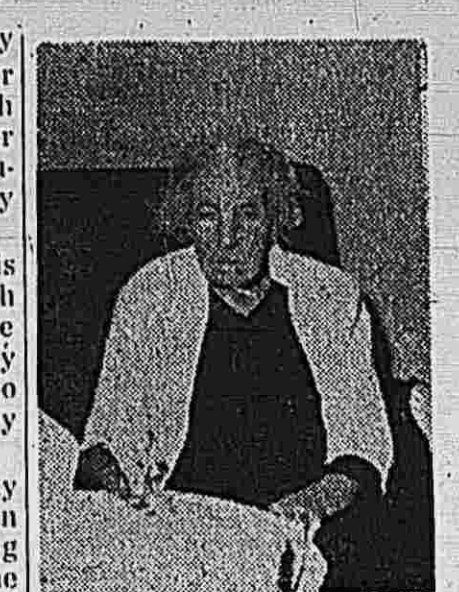

Nearing The Century Mark

Miss Alice Smith, fondly remembered by many of her former pupils at Antioch High School, celebrated her 98th birthday Saturday, January 29, in the Lake County home at Libertyville.

Miss Smith's health is good for her 98 years, though her eyesight is failing. She is regularly visited by many of the Antioch women who were her friends for many years.

Miss Smith received many cards of congratulations on her 98th birthday. Along with other residents of the home who had January birthdays, she was feted at a birthday party given by the Lake Forest Women's Club. Clarence E. Adams, superintendent of the home, says the Women's Club, each month, provides a birthday celebration for each resident of the home who has a birthday in that month, complete with a gift and cake.

Miss Smith lived for many years at 333 Ida Ave. in Antioch. She taught school for 45 years, many of them at Antioch High School. Her memories extend back to the early years of the town and

the county. She seems happy at the Libertyville home, Mr. Adams says, and is always pleasant. "A very intelligent lady," he says.

Mr. Adams pointed out that she is not, however, the oldest resident at the home. Henry Marsh of Gurnee was 101 years old on Christmas Day. His eyesight and hearing are failing. But, Mr. Adams says, he's ambulatory, in good health for his age, and has a clear mind and memory.

Zoning — Nothing New

Everybody, it is said, wants zoning for his neighbor, but not for himself. And that seems to be about the way it is.

We don't like having restrictions put on our use of our own property, but it's very easy to agree that it's quite proper that someone prevent our neighbor from building a factory or installing a junk yard next door to our valuable home.

Good or bad, zoning is the only answer any one has been able to come up with to the many problems that arise in town or city living. Each person, understandably, is intent on using his property to his best advantage, and on protecting the value of his property. And someone must have the unpleasant task of deciding when some person's "right" becomes an infringement on the rights of others.

Antioch's proposed new zoning code will be discussed at the public hearing on Wednesday, February 9. The zoning committee expects some objections to their zoning, probably because no zoning map has ever been planned that didn't rouse some objections.

So far as we can see, in studying the map, the new zoning pretty well preserves the status quo. Property is zoned pretty much according to its present usage, or a trend toward development of a business section in what was once a residential section that is so far advanced as to be obvious.

Zoning, of course, has actually been going on in Antioch ever since some long-past village board decided that pigs couldn't be raised in the downtown business section. Anyone who wished to construct a building appeared at a board meeting to get a permit and board approval of construction of the building. Business zoning was secured for property close to the downtown section as people sold their homes to make room for more businesses.

The one big drawback to this informal zoning was that anyone who actually wanted to go ahead with his plans regardless of the lack of board approval possibly could have. The zoning was not backed up with an ordinance. Had anyone chosen to proceed with plans without board approval, it could have meant a battle in court, with the outcome fuzzy.

The reason for establishing a zoning ordinance at this time is obvious. A new state law makes it possible for the county government to move in and establish zoning in any municipality that does not have its own ordinance. So the only question is, who does the zoning, the county board or the village board?

It is well to remember, when considering the zoning ordinance, that the present zoning of any piece of property is not necessarily permanent. Persons wishing to have the zoning of their property changed will appear before the zoning committee with the request. If there are no valid objections to the new zoning, it will probably be granted. As the town grows, it is almost certain that property now zoned residential will become business, by mutual consent.

The new zoning ordinance, in short, is nothing new. It is merely legalizing a practice that has gone on informally for many years.

Boy Scout Week

The Boy Scouts of America celebrate their 56th anniversary during Boy Scout Week, from February 7 to 13 this week.

Through those 56 years, the Scout movement has helped to train boys from 8 years of age to manhood in the skills of growing up. A charter from Congress in 1916 recognized that Scouting supplements the home, church and school in providing a program of character building, citizenship training and physical fitness.

The North Shore Area Council of the Boy Scouts of America has served our area since 1911, and has seen more than 280,000 boys participate as Cub Scouts, Boy Scouts and Explorers.

The impact of Scouting on our youth has been recognized by all citizens, but the commun-

Your Congressman

By Cong. Robert McClure

A State of the Union Message such as President Johnson delivered recently to a joint Session of the Congress is nothing new. These messages have been delivered since the foundation of our Republic. Indeed, the Federal Constitution provided that the President "shall from time to time give to the Congress Information of the State of the Union, and recommend to their Consideration such Measures as he shall judge necessary and expedient."

The practice of the President appearing personally before joint Sessions of the House and Senate commenced with our first President, George Washington, in 1790, and continued with our second President, John Adams. Thereafter, commencing with Thomas Jefferson and for more than 100 years, no President came in person to the Capitol to address any sessions of the Congress.

It was not until 1913 that President Woodrow Wilson again established the precedent of coming to a joint Session of the Congress and delivering the "State of the Union Message" in person. This caused some consternation at that time. However, the practice was continued by President Harding and President Coolidge. In fact, President Coolidge added radio transmission to his two annual messages — enabling the entire nation to hear his oral addresses to the United States Senators and Representatives.

Most students of government agree that appearances "in person" by the Presidents have enhanced their roles as legislative leaders. In the earliest days of the Republic, Alexander Hamilton helped President Washington gain executive domination of legislative activity. After the term of President John Adams, Congress took over, and initiated most of the important legislative measures until the time of President Theodore Roosevelt in 1901. A steady diminution of Congressional initiative occurred under President Franklin D. Roosevelt and has continued to the present time. In fact, in recent years many important legislative measures recommended by the President have been delivered to the Congress in the form in which the Administration desired to have them enacted.

Today, of course, the State of the Union Message with full color television coverage is an event of the greatest importance in promoting popular support of the person and of the program of the President. This, in turn, has the inevitable effect of further diminishing the Congressional role in legislative initiative and control.

The development this year of a State of the Union program by the Minority (Republican) Leadership, coupled with the pending proposals to televisé sessions of the Congress, is evidence of a determination on the part of many Members of Congress to reassert a more influential role on the part of the Congress on legislative matters.

The contest for legislative leadership between the President and the Congress continues, and is an important element bearing upon the State of the Union.

City leaders who are also the leaders of the local Scout Council recognize that much more can still be done.

This is the reason for the 1966 Boy Scout theme—"Breakthrough for Youth."

Many boys of Scout age are without the opportunity to be Scouts. Local Scout Councils across America, like the North Shore Area Council, are doing something about it.

A salute is due the adults who are active in Scouting. Those who were Scouts but are not active are urged to remember the "good turn" principle, and help bring Scouting to more boys.

Courthouse Notebook

BY LOU DURKIN

The first nominating convention for Republican candidates at the state level is now history with few surprises and even fewer dramatics.

If any effort to substitute a candidate for U. S. Senator for Charles Percy was made it died aborning and the one-time candidate for Governor was endorsed as the party choice with hardly a dissenting voice.

One bonus outcome of the convention will be the elimination of Republican campaign oratory about the hand-picking of Democratic state tickets.

GOP candidates in primaries and general elections have been fond of clucking their tongues over the absence of contests in Democratic primaries and have pointed the finger of scorn at Chicago's Mayor Dick Daley as the culprit in the fertilizer pile who handpicked his candidates without giving the people a voice in the matter.

This never became a real campaign issue because most of the Republican candidates and leaders were secretly envious of the Democrats who could go into the general election unscarred by intra-party battles and with their campaign funds virtually untouched.

Percy may find the free ride primary a mixed blessing, however, since he will have nobody to bounce charges or campaign oratory against from now until June.

He still has to develop campaign issues, but he will have trouble testing their validity or effectiveness against an empty chair in a half empty auditorium.

Unless he can develop some effective issues he will encounter difficulty selling an apathetic public on the great need for a change from the veteran Sen. Paul J. Douglas.

There may be more sentiment for a county convention because of the success of the state state-making, but it won't come about in this primary, particularly with a multiplicity of candidates already in the field for legislative and county offices.

—Lake County Democrats

would probably welcome a GOP slate-making at the county level cause the Republican organization could get fat and flabby without some kind of contest each election to keep the sinews strong and active.

County Clerk Gar Leaf apparently has little respect for the intelligence of the voters or election officials in Lake County.

At least he has indicated he feels it would take more than four months for them to learn the intricacies of the proposed electronic voting system.

It is hardly likely Leaf has ordered all the paper ballots and other election supplies for the June primary because it is even too early for filing.

The County Board approved the use of electronic equipment months ago on the basis of new state legislation and it seems inconceivable that some preliminary work could not be done by the clerk's office to get the county ready to use the new equipment in the coming election.

It looks like the south end of the county is going to have all the fun during the upcoming Republican primary.

The new south House and Senate districts created by legislative reapportionment have plenty of contests already set with more to come as the time for filing gets closer.

At least five candidates have announced their intention of seeking the GOP nomination for State Senator, but the field will probably be narrowed with the withdrawal of one or two McHenry County aspirants.

There are already four incumbents among State Representatives, but others will be seeking the nomination.

Meanwhile two of the three representative seats in the north district are filled with John Conolly, of Gurnee, and William Hartnett, of Grayslake.

W. J. Murphy is expected to get in the race for the third seat, which makes it rather unattractive for anybody else.

Perhaps some interest can be stirred in precinct committeeman contests.

Antioch, Illinois

Dear Sir:

The University of Illinois Mothers Association is most appreciative of your service in printing the Student Survival Kit mat in your January 13 issue of the Antioch News. The cooperation of newspapers such as yours substantially aided in spreading word of the project to the mothers of our students.

General information about Student Survival Kits goes to all mothers in our quarterly newsletter ILLI-NOTES. It is unfortunate that second class mail prevented many from receiving ILLI-NOTES in time to place their orders.

It was because of the generosity of news papers such as the Antioch News that many students were not disappointed.

We are indeed grateful to you.

Sincerely,
Mary Louise Filbey

If you're interested in additions in figures, here's a useless little note for you to reflect on.

Next June 6 you will be able to do something you can only do once in eleven years—you can write a date of identical numbers—6/6/66.

The next time you can do this, with a different number, of course, will be July 7, 1977. And the last time was May 5, 1955.

The sub-zero temperatures (22 below zero last Saturday) of last week set records for that date. Sunday warmed up to a mere 17 below. Didn't see any ice fishermen on Channel Lake Saturday, but there were a few hardy souls scattered around on the ice Sunday.

The ground hog takes over the weather forecasting job this week—ground hog day on Wednesday, February 2. Mather and Doc Solar will have to give way to tradition, while the little beast decides whether or not we'll have an early spring.

Doc by the way, points out that the blizzard he predicted for January 27 did not necessarily mean snow. A blizzard, he says, does not necessarily mean snow. A blizzard, he says, does not have to include snow. (Sorry, Doc, our Webster says a blizzard is "an intensely cold,

The Old Scouter Says

This space for the next few weeks will be devoted to news, information, and comments about Scouting activities in the community and surrounding area.

To begin with let's say happy birthday to the Boy Scouts of America on their 56th anniversary. Did you know that nearly 30 million boys have taken part in the Boy Scout Movement since 1910?

In Antioch, Scouting has been serving boys continually for over 21 years. At the present time there are about 100 people working to keep 10 units going. A cub pack and a Scout Troop in Channel Lake, a Pack and an Explorer Post in Grass Lake, and 3 packs, 2 Troops and a Post in Antioch.

Many of these people have been faithfully and quietly working for many years. To do this they have to enjoy it, but they also are dedicated to the ideals of Scouting.

The majority of these people would never think to "blow their horn" about what they are doing. This is the kind of people they are. It is our intention when the occasion demands it to blow their horn for them. With the youth demonstrations going on all over the country.

The Old Scouter

will be near Elgin on February 10. Registration will begin at 9:30 a.m., and the program will end at 3 p.m.

Through group discussions, slide presentations and dramatizations, U. of I. extension 4-11 specialists G. W. Stone and Mary Cheze will help local 4-11 leaders consider how parents can assist in the local 4-11 club and how leaders can involve parents in 4-11 programs.

A leaders' recognition luncheon is being sponsored at noon. The leaders group will be headed by Farm and Home Advisers Ray T. Nicholas and Helen Volk, and Assistant Home Adviser Marjorie Robbins.

Quaker Products of Antioch took their wares to the show—the National Housewares Manufacturer's Show

Quaker Displays Wares At McCormick Pl. Show

Quaker Industries, Inc., reported an excellent response to their display at the National Housewares Manufacturer's Association show.

The show was held at McCormick Place in Chicago from Jan. 10 through the 15th. Thousands of buyers and visitors from all over the nation and many foreign countries flocked to McCormick Place to see the latest in housewares.

The exhibit prepared by Quaker Industries measured 60 feet and displayed several new products in addition to their regular lines. Credit for preparation of the display goes to Norbert Zwik, Advertising Manager. William Block, vice president in charge of Sales, and several

Quaker sales representatives represented Quaker at the show.

Quaker Industries is one of the oldest members of the Housewares Manufacturers Assn.

Some of the newest additions to the Quaker line displayed at the show are wood tray tables; a deluxe vinyl-covered square pole line of shelving, with add-on features for its no-screw assembly of anodized aluminum-banded wood shelves and glass fiber room divider panels for ceiling-to-floor pole mountings.

Quaker also is gearing for the "back-to-school" market with a Grip-Tite 30- and 18-inch work-surface desk with storage and book shelf levels.

Warns Public of Fake Tree Surgeons

"SURE CURE" RACKET

Paul E. Passini, chief investigator for the Illinois Department of Registration and Education, has warned area property owners to beware of an unusual racket—fake tree surgeons.

Any person who, for profit, diagnoses the condition of shade or ornamental trees or recommends or supervises the trimming or treatment of such trees must be licensed as a tree expert by the Department of Registration and Education.

"Each spring, when the weather begins to break," said Passini, "transients from everywhere descend upon Illinois homeowners with a 'sure cure' for everything, including Dutch elm disease, and a ridiculously low rate for the trimming of our beautiful trees. Unfortunately, the poor property owner usually gets the 'trimming'."

Passini wishes to remind homeowners that qualified arborist, or tree surgeons, are licensed by the State of Illinois, and when a homeowner is in need of such service, he should demand to see their registration card before employing their services.

Round Lake Man Honored For Sales

Warren Brose, 306 E. Lakeview, Round Lake, district representative for Lutheran Brotherhood, qualified for the 1965 Leaders Club, one of the insurance society's top sales honors, on the basis of his individual production of new business last year.

Mr. Brose is a member of the Elmer-Oakland agency, headquartered in Rockford.

Clinic Provides Help In No. 1 Health Problem

The Antioch Woman's Club is lending its support to the Lake County Mental Health Society by sponsoring a Spring Ball to be held April 16. Proceeds of the dance will go to the Mental Health Society, which helps to support the Mental Health Clinic.

The Clinic provides skilled professional outpatient treatment near the patient's home—much less costly than institutional care and less disruptive of human lives. Any resident of Lake County is eligible for treatment at the Clinic. Fees are adjusted to the patient's ability to pay. Ability to pay, however, is no prerequisite for treatment.

The Society points out that though much has been done in the field of mental illness, much more needs to be done. It is estimated that one American in ten suffers from an emotional or mental disorder requiring treatment. If Lake County is typical of America, about 30,000 people in the county are present or potential mental patients.

Mental illness creates a great drain on our resources both financial and human. Institutional care is costly. But undetected and untreated disturbances probably cost much more—in crime, delinquency, alcoholism,

Informed Readers Head Off Illness

People who follow health news in newspapers or magazines and on radio and TV often prevent serious illness from developing by consulting their physicians when symptoms first appear. They are often able to describe their symptoms accurately and thus assist the doctor in making correct diagnoses. This commendation of the mass media comes from Drs. Diegfried Scheffler and Helmut Klepzig who questioned 200 of their patients in order to evaluate the effect of the news media on health education.

Contrary to popular opinion, the researchers found that such reading does not cause patients to develop imaginary ills or to take their illnesses more seriously than they should.

CHRISTIAN SCIENCE CHURCHES

"Can Deity be known through the material senses? Can the material senses, which receive no direct evidence of Spirit, give correct testimony as to spiritual life, truth, and love?" This thought provoking question is part of the Lesson-Sermon on "Spirit" to be read at all Christian Science churches this Sunday. The question is taken from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science.

Bible passages will include Jesus' declaration: "It is the spirit that quickeneth; the flesh profiteth nothing" (John 6).

The service on "Spirit" is one of a series through which Christian Scientists seek a deeper understanding of the nature of God through the study of certain terms. Others to come include services on "Soul" and "Mind."

Froelich Candidate For Sheriff Post

Norris C. Froelich, presently Chief Deputy Sheriff, has announced his candidacy for the office of Sheriff of Lake County. Froelich is a Republican.

Froelich points to his many years of police work as qualification for the nomination. He has been attached to the Lake County Sheriff's office since 1943, with the exception of 33 months in the U. S. Armed Forces. He served 24 months in the European Theatre of War, assigned to the combat zone. He had a special assignment for a short period to help smash the black marketing in Europe. This brought him in contact and working with the famous Scotland Yard. He is a graduate of the Adjutant General Administration School.

During his time in the Sheriff's office, Froelich has worked in every department. He's been patrolman, bailiff, process server, investigator, and Chief Deputy. He was elected Sheriff in 1958, serving until 1962. He could not succeed himself by law and at present is Chief Deputy.

He is a graduate of the National Academy of the F.B.I. He graduated as a specialist in Police Administration, and Police organization. He completed a course in the Bureau of Identification of the Chicago Police Dept. He has attended several police training schools.

He is a member of the Board of Governors of the National Sheriff's Association and was State Director of the organization in 1962. He is past president of the Illinois Sheriff's Association and is on the Board of Directors. He is also a past president of the Lake County Deputy Sheriff's Association.

Froelich says he kept the pledges he made to the public when he was elected sheriff in 1958. He established a Juvenile Investigation, Traffic and Records Department, and Police Schools.

Norris C. Froelich

He was instrumental in formation of the Lake County Law Enforcement Association. Froelich resides with his wife, Bernadette at 929 Berwick Blvd., Waukegan. He was born and grew up in Lake Zurich, and graduated from Elva-Vernon Township High School.

Navy To Lease Family Housing Units

The Secretary of Defense has authorized the Navy to lease 74 apartments, townhouses or houses at the fair market rental value to provide military family quarters to personnel on duty at the U. S. Naval Training Center, Great Lakes, Illinois.

The Government will lease two, three and four bedroom units with the average rental, including utility costs, not to exceed \$160 per month.

The Director, Midwest Division, Bureau of Yards and Docks, Building 1-A, Great Lakes, Ill., is the agency responsible for the leasing action in this area.

950 New Firms In Illinois Last Year

Illinois is getting its annual physical checkup.

A \$75,000 industrial census—calling for 40,000 pieces of mail and 10,000 telephone calls—is 96 per cent complete, a Chicago research firm reports.

This industry head-count, Publisher Howard Dubin points out, is providing information for the 1966 edition of Illinois Manufacturers Directory.

And, after logging in 20,000 Illinois firms and 90,000 of their management executives throughout 104 counties, Dubin's research group reports one standout conclusion:

"Illinois business is booming."

For example, a hefty-and-girthy preview of the directory's advance proofs shows 950 new manufacturing or processing firms were formed in Illinois in the past year.

"As a result, the 1966 edition will run 2,250 pages—38 pages larger than 1955," Dubin predicts. "It will be

the largest industrial directory in Illinois history."

When the 1966 Land of Lincoln business answerbook is published next month, each Illinois company will be listed three ways: by city, by name, and by product service. Each company's individual sketch will include names of divisions, products, brand names, and principal executives. Telephone numbers, zip codes, and Standard Classification Numbers are also included.

Big John Puts 200 Cars On Highway

"Big John" sent the first dozen of 200 Chevys and Oldsmobiles on their way to the Hertz Rent-a-Car Agency at O'Hare Field last Thursday.

The twelve cars were driven from Antioch to the Hertz Agency by twelve boys from the driver training course at Antioch High School. Boys, of course, who had completed the course and had their driver's license.

Teresi was awarded the contract by Hertz on his low bid. The cars are Oldsmobile Tornados and Chevy air-conditioned station wagons.

The second shipment arrived Saturday, and were also promptly dispatched to their destination. The rest of the cars will probably come in one dozen shipments every other day, General Manager Ray Scarpelli said.

Tell, Ask, Keynotes Cancer Crusade

Wayne E. Phillips, a vice president of the Mid-American Home Office of the Prudential Insurance Co. of America, has been named chairman of the 1966 Crusade of the American Cancer Society, Illinois Division, to be conducted in April.

Word of the appointment was made public by Armiger H. Sommers, chairman of the Lake County unit of the American Cancer Society.

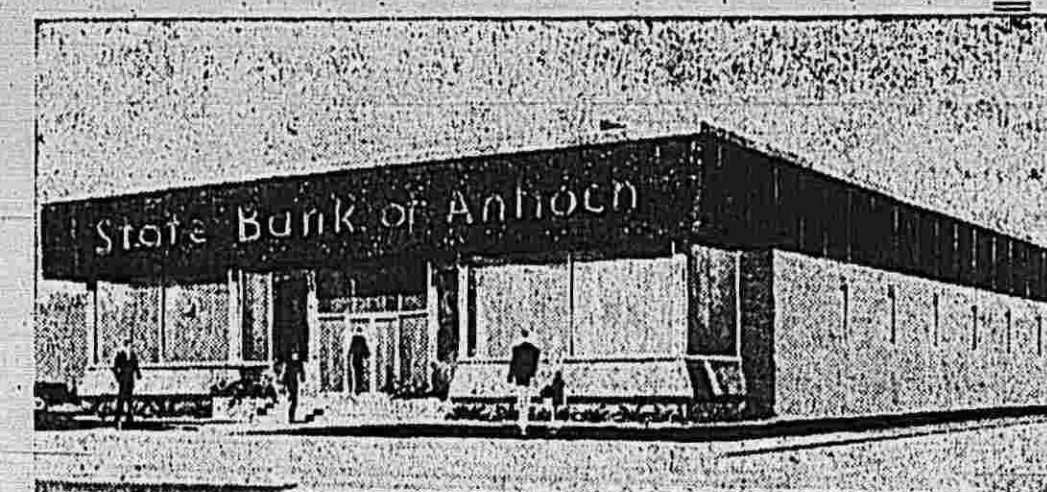

Speaking of the organization of the current Crusade, Chairman Phillips says, "We will combine the distribution of cancer educational literature with fund raising and will place emphasis on two words—TELL—ASK."

"Each person will TELL his neighbor facts about cancer and the life-saving work of the Society's cancer control program. He will stress his message with pamphlets that give facts about cancer... and then will ASK for a contribution to the crusade. We intend to give every individual an opportunity to learn about cancer and at the same time to become a part of the lifesaving activity of the Society in stamping out this disease."

Mr. and Mrs. Victor Ottolino

Cervenka-Ottolino Rites At St. Peter's Church

By Del Jahnke

Miss Joan Cervenka, Antioch, became the bride of Victor Ottolino, Bristol, Wis., at St. Peter's Catholic Church Saturday, January 15.

The Rev. Alfred Henderson, the Rev. Lawrence Hanley and the Rev. Howard Stunck officiated at the Nuptial Mass.

Special guests at the Mass, sung by the church choir, were the Sisters of Charity, from St. Peter's School, and the Benedictine Nuns from Holy Family Convent, Benet Lake, Wis.

The bride, the daughter of the late Mr. and Mrs. George Cervenka, was given in marriage by her uncle, Otto Moravacek. The bridegroom, is the son of Mr. and Mrs. Vito Ottolino of Bristol.

The bride wore a gown of silk tulle with a Watteau Cailas lace train. The sweetheart neckline was trimmed with seed and oal pearls and crystals. A continental shaped coronet held her silk illusion veil. She carried cymbidium orchids, surrounded by white roses and carnations with ivy and attached to a prayer book and rosary.

Miss Carol Cervenka, the bride's sister, was maid of honor. She wore a gown of blue brocade satin in an empire style. She carried white roses and carnations, tinted blue, fashioned in the shape of a cross.

Mrs. Herbert Bedman and

Mrs. Thomas Lees were bridesmaids. Their gowns had rose brocade bodices, with pink crepe skirts, styled like that of the Maid of Honor's. Their bouquets were similar to the maid of honor's.

The bride chose her cousin, Mrs. Michael Svezikas, to act as her honorary mother. Mrs. Svezikas wore a light blue dress, with a lace illusion fitted bodice. Her accessories were in silver, and she wore a white cymbidium orchid corsage.

The mother of the groom wore a mint-green gown with embroidered lace bodice. Her accessories were in gold, and her corsage a white cymbidium orchid.

The bride and groom received Holy Communion under both species, a new revision in Canon Law of the church. It was the first time both species were distributed at St. Peter's Church.

Special solos were sung by Mrs. George Masopust and Ferdinand Wolter.

Mrs. Ottolino is a graduate of Lake Forest College, where she was a member of the Alpha Phi sorority.

The reception, at Lorenz's Smart Country House, was attended by 250 guests. Mr. and Mrs. Ottolino honeymooned at Lake Lawn Lodge in Delavan, Wis.

After three years in Thailand, Mr. and Mrs. Revell and their three children returned to this country.

In addition to the slides and lecture, Mrs. Revell will display some artifacts from Thailand and some exquisite Thai silk.

The Woman's Club meeting will start at 1:30 p.m. at the Scout House next Monday. The hostess committee for the afternoon will be the Mesdames Richard Radke, William Barkow, George Anzinger, Arthur Laursen, Robert Lubkeman, Anton Stanich, C. F. Spiering, John Steitz and Jerry Miller.

IWU Vocal Group Accompanies Film
Judith Lynne Turner, daughter of Mr. and Mrs. O. W. Turner of rural Antioch is one of 27 Illinois Wesleyan University School of Music students who took part in the "live sound" portion of a motion film presented at the fiftieth anniversary celebration of the Illinois Agricultural Association at Champaign, January 20.

Using an original score written by Henry Charles, Professor of Voice at Illinois Wesleyan, the Wesleyan group accompanied a motion picture which was shown to 7,000 farm leaders and guests at the U. of I. Assembly Hall.

Sixteen IWU vocalists, accompanied by three trumpets, an oboe, two horns, four trombones, a baritone, a tuba and percussion performed Mr. Charles' score during the showing of the film. Judy is a vocalist with the group.

Cotillion-A-Go-Go For Mental Health

Plans for the Cotillion-A-Go-Go were the reason for the meeting of Antioch Woman's Club members at Mrs. Rohl Lubkeman's home last Wednesday, but all the

time wasn't spent on business matters.

Talk inevitably kept straying to individual plans for a new outfit for the ball, discussion of styles, and all the other trappings that make a ball delightful, at least to the feminine heart.

The Spring Ball will benefit the Lake County Mental Health Society. It will be at Lorenz's Smart Country House on April 16. And you can buy a ticket from Helen Vogler or Shirley Stanich.

Some definite plans did emerge from last Wednesday's meeting. Entertainment during intermission will be a floor show by the Dancercam Studios of Ingleside. And the ladies decided to invite Governor Otto Korn to the Ball. Along with the invitation will go Ticket No. 1.

Further plans for the Ball will be announced in the weeks before the big event.

Boy Scout Week

February 7 through 13 is Boy Scout Week. Boy Scouts of Troop 84 will have a display in one of the stores in Linden Plaza. They will have on exhibit tents and other camping equipment and other items they have made. The boys and their scout master Jim Hartwig and his assistants, Jim Houghton and Willis Hacht will be there every evening that week to answer any questions that young boys and their parents may ask. Boys 11 through 15 are especially invited to look into scouting. They plan to spend Friday or Saturday night in their tents at the store. Sunday morning, all the scouts will attend the church of their choice in uniform.

On February 12, Troop 84 and Troop 188 of Venetian Village will compete in a Klondike Derby, starting about 12:30 at the Lindenhurst Civic Center. They will cut across fields and stop at 5 stations in their scheduled 3 mile race through Lindenhurst. On the way they will practice their various scouting skills. They will be using the sleds they used last year in the North West District Klondike Derby. Troop 84 placed first at that time. There are three patrols in the troop, and eight boys in a patrol. Usually one boy steers, one rides and the rest pull.

Bob Young is scout master of Troop 188 and his assistant is Tom Cliff.

Whether it is 90 in the shade or 25 below zero, those canasta playing 'Nite-Owls' get together for their monthly game of cards. Last Friday night when they got together at Bert Hareg's home on Longmeadow Drive the temperature was around 25 below. So that the ladies' cars would start when they were ready to leave, Lou Hareg warned their cars up for them during the evening. Greater love hath no neighbor, than to go out in the cold to warm up a car.

ECONOMY BOOMS

Economic activity in Illinois in 1965 was at record-breaking levels in almost every phase of business.

Gene Graves, director of the Illinois Department, last week said: "The outlook for 1966 indicates there will be a continuation of business growth, trends established during 1965, with significant increases and expansions of manufacturing capacity."

MOOSE TOPICS

By Lillian Birdsell

There were 120 co-workers present at the Mid Winter Conference which was held in Antioch at the Antioch Grade School on Sunday, Jan. 30. The Antioch Chapter 735 was honored by being the host Chapter for this great event.

The special feature of this Conference is the Red Stole Investiture Ceremony for Collegians who have been members of the College of Regents for four years.

Conference Leader and Senior Regent of the Antioch Chapter opened the meeting by having the 21 Collegians that were present, introduce themselves. Four of these Collegians were honored with the Red Stole. They are: May Palmer, of Antioch; Ingrid Oost of Harvard; Mabel Thomas of McHenry and Cassie Hock of Woodstock.

E. Jane Meyer of Antioch, director for the Investiture Ceremony, gave a very impressive speech on its history. Harriet Grewe and Blanche Horton of Antioch were pages and Mid Gillum invested May Palmer with her Red Stole.

The other Chapters that participated in the Mid-Winter Conference were: Harvard, Woodstock, Fox Lake and McHenry. Gloria Lego, Senior Regent for the Fox Lake Chapter gave a very enlightening speech on Moosehaven.

A total of \$1,348 was collected from the participating chapters which will be sent to Moosehaven to aid them in their project of the building of the MOOSEHAVEN HEALTH CENTER. The Woodstock chapter was selected to be host for the Mid Winter Conference for next year.

Four candidates were enrolled as new members. They are: Jeanette Cramer, sponsored by Senior Regent Evelyn Miller; Claudette

Math Teachers At Coffee Hour

Don Cramer of the mathematics department of the Antioch Community High School was among more than 30 North Suburban instructors invited to an informal, get-acquainted coffee hour at Lake Forest College this week, Wednesday, Feb. 2.

The event was planned by the LFC department of mathematics, headed by Prof. Ralph L. Shively, to acquaint high school and college math curricula and to initiate a program of closer cooperation.

Sequoits Upset 1st-Place Grant

Antioch's Sequoits staved off a late Grant rally Friday night at Ingleside and handed the Bulldogs their first defeat in Northwest Suburban Conference competition 58 to 55.

It was a nip and tuck battle through the first half with the Sequoits leading 15 to 12 at the first quarter mark and the score knotted at 28 at halftime. The Sequoits surged ahead in the third period with a 16 point burst to make it 42 to 36 as the final stanza began.

With three minutes left the Sequoits still had control 54 to 46. It was at this point that Grant put on their rally, scoring seven straight points.

With 2:38 left Sam Reimers put in a rebound basket for two points. On the following in bounds play, Antioch's Tyrone Walls picked up his fifth personal and a succeeding technical gave Joe Pivonka a chance for three points. He cashed all three free throws. With Grant getting the ball out of bounds because of the technical, Glen Smith quickly hit a 20 foot jump shot and Antioch's margin had been cut to 54 to 53. Four seconds had elapsed, leaving 2:34 remaining.

Grant took the lead shortly with another basket by Smith but the Sequoits' Bob Schenk countered with a 15 foot jump shot to put the Antioch quint back on top with the score 56 to 55 and 1:60 left. A free throw by Don Zeman and one by Schenk accounted for the final 58 to 55 margin.

Tyrone Walls led the Sequoits in scoring with 16 points and turned in another fine floor game. Schenk and Sterbenz followed with 15 and 13 points respectively. Coach Roger Andrews also praised Bill Sheldon who took over for Walls and turned in a fine performance under pressure.

Lee Oler and Reimers led the scoring for Grant with 16 and 11 points.

Sequoits Miss Chance

Antioch missed an opportunity to move into the thick of things in the conference race Saturday night as they

Tom Blackman

were overwhelmed by Lake Forest 72 to 55 at Antioch.

With Grant and Warren both suffering their second defeats Saturday the Sequoits could have moved within striking distance of the title with a win over the Sequoits. Antioch is now tied with Round Lake and Lake Forest for second behind Grant and Warren.

The Sequoits ran into a hustling aggressive defensive quint Saturday and failed to get their offense into high gear. Trailing 15 to 25 at the end of the first period the Sequoits dropped even farther behind as the Scouts put on a 24 point burst in the second quarter to lead at halftime 49 to 27.

Antioch rallied in the second half and cut the margin to within 10 points with

about two minutes left but they were too late with too little as the Scouts poured in another seven points for the victory.

The Scouts hit a phenomenal 59% from the field, cashing 29 of 51 attempts. The Sequoits made 17 of 45 for 38%. Phil Dansill led the scoring for the Scouts with 24 points while Sterbenz led for the Sequoits with 17.

"We had a couple of bright spots in the game," said Coach Roger Andrews. "The defensive job Tom Blackman did on high scoring Warren Aldridge. Aldridge was limited to two baskets and seven free throws, far below his normal output. I thought the boys came back real well in the second half, closing the gap to 10 points, we just let them get too far away from us in the first two periods."

Sophs Split Weekend Play

Antioch's Soph quint split this weekend with a win over Grant High Friday and then suffered their second defeat of the season Saturday to Lake Forest.

Friday at Ingleside the Sequoits preps had to come from behind 25-15 to ring up their victory. Antioch ran in 15 points in the third period while holding the Bulldogs to only 5 to head into the final stanza tied at 30 all.

Scoring 18 points in the final period gave the Sequoits their 48 to 43 margin. Antioch again showed balanced scoring with Joel Strahan, Tony Barnett and Al Alexander getting 11, 10 and 9 points.

Not So Good Saturday

Lake Forest jumped out to a 13 to 7 first period lead and proceeded to outscore the Sequoits in every quarter, beating them 56 to 37 and retaining their unblemished record in conference play.

The hot shooting Scouts continued their attack in the second half as they scored 14 for 20 from the field in the closing two periods. The Sequoits managed only 11 points in the third period and in the final stanza while the Lake Forest quint racked up 29 points for the final 56 to 37 margin.

Strahan and Steve Miklautsch led the Sequoits in scoring with 10 each. Metcalf was high for the visitors with 20 points. Bill Smith did a fine job on the boards for the Sequoits, grabbing 12 rebounds to lead the team in this department.

NICC Reelects Waters, Brook

A new slate of officers to administer the affairs of the Northern Illinois Conservation Club for 1966 was voted in office Wednesday, January 26 at the annual meeting held at the club house.

Re-elected to unprecedented continuous fifth terms were Richard Waters, president and William E. Brook, executive vice-president. Both men were reelected and were accorded unanimous approval by the members present.

Others elected to office were Mary Chase, secretary, and Howard Pannier, treasurer.

Elected to the board of directors for three-year terms were Al Moore, Richard Miller and Harry H. Stern; Earl Loomis and Jim Carlson, two year terms and Les Chinn and Ann Waters, one year terms.

The newly elected officials will be installed at the annual NICC Dinner Party to be held in March. Details will be made public as soon as they are formulated.

Antioch Builders Are Women's Co. Champs

The Antioch Builders team from the Monday Night Ladies' Classic league at the Antioch Bowl are the new Lake County Champs.

The Builders turned in a three-game score of 3091 to take the team championship in the Lake County tournament. Lorenz's Smart Country House team, also from the Women's Classic league, were in second place for a while but were knocked down to fourth by the time the tournament ended.

The Builders bowled at Harbor Lanes in Winthrop Harbor last Saturday night,

bers were engrossed in a movie by the Browning Arms Company showing how their shooting arms were manufactured, step by step, from the raw materials to the finished product. All were amazed at the amount of hand work, skill and artistry which went into the making of every gun. It was not difficult to understand the cost of these high quality products.

Wrestling Tourney Coming Up Friday

The Northwest Suburban Conference Wrestling Tournament is scheduled to begin Friday at Round Lake High School it was announced this week. Preliminaries will begin at 7 a.m. with the semifinals and finals set for Saturday at 1 p.m.

The match for third place will be held Saturday at 7 p.m., followed by the Championship matches at 8 p.m. Grant High School, undefeated in conference dual competition this year, is a heavy favorite to win team honors. Warren, with one loss and Lake Forest with two losses figure to give them the most trouble.

Cub Scout Pack 300 Plans For Scout Week

A meeting of Cub Scout Pack No. 300 was held on Friday, January 28 at the Scout house. The opening ceremonies were presented by Den 3 whose Den Mother is Mrs. Richard Klean. The meeting was called to order by Assistant Cub Master Clarence Lundgren in the absence of Cub Master Lytle.

Two new members were welcomed into the pack. Timothy Nolan and Sam Lombardo. were presented with Bobcat pins.

Mrs. Jack Davis, chairman of the committee for the Blue & Gold dinner, gave a report on the progress so far. Volunteers were asked to meet at 1 p.m. on Saturday, Feb. 12 in the Blue room at St. Peter's school to set tables and decorate for the dinner. The dinner will be held at 1:30 Sunday, Feb. 13. The money should be turned in to the Den Mothers, for those who wish to attend.

On February 13, Sunday, the Holy Name Society of St. Peter's Church has invited all Cub Scouts and Boy Scouts for communion and breakfast for the 8:15 mass. The boys are requested to wear their uniforms and sit in the seats reserved for them. If you have any questions, please contact one of the Den Mothers.

Two new officers have taken over duties in the pack. Mr. Joseph Rush is the pack's new Secretary and Richard Klean is Committee Chairman.

There will be no pack meeting in February, as the Blue and Gold dinner is held instead. The next scheduled meeting will be the last Friday in March.

A uniform inspection was

held. Refreshments were served by Den 5, under the direction of Den Mother Mrs. Sunich.

Try To Eliminate Aspirin Poisoning

What is small, pleasant-tasting, and harmless-looking, but dangerous if handled carelessly? Children's aspirin. Louisville physician Dr. A. A. Shaper, points out—especially when it comes in packages of 50.

Dr. Shaper explained in a letter to a medical publication that the usual bottle of 50 aspirins totals up to 62.5 grains, sufficient to kill a young child. He says that thousands of children require emergency hospital treatment for aspirin poisoning, and that 150 children under five years of age die every year as a result of gobbling quantities of the drug. The physician supports a bill (S. 2404) introduced in the last session of Congress that would limit by the law the quantity of aspirin permitted in a package.

But, as Dr. Shaper told Women's Medical News Service, "Education of parents comes first in reducing the number of poisonings. If parents are careless there will be trouble—even though there are fewer tablets per bottle."

Sun. Most Dangerous Day On Highways

What is the most dangerous day of the week and time of day to drive on Lake County's highways?

The Lake County Safety Commission analyzed accident reports of the 76 accidents resulting in 94 deaths during 1965 and reports:

Sunday was the most dangerous day of the week on Lake County's highways with 22 accidents, killing 30 persons.

Saturday accidents accounted for 17 deaths in 11 accidents.

Tuesday and Friday accounted for 13 accidents each, with 14 deaths on Tuesday and 13 on Friday.

Nine Monday accidents resulted in death to 12 persons.

Thursday accidents, 6, accounted for 6 dead.

If history repeats itself,

To Train Civil Defense Personnel

A Deerfield educator with a wide background in the field has been named training officer for the Lake County Civil Defense organization.

Dr. Howard Gottlieb of 316 Landis Lane will be introduced at the organization's February 8th meeting in the Lake County Home at Libertyville.

Dr. Gottlieb was chief training officer for Kenosha County Civil Defense, serving as instructor for shelter management, radiological monitoring, medical self-help, decontamination and rehabilitation.

At the February 8th meeting Dr. Gottlieb will explain the various programs available on a county basis and present other general information about his plans as training officer.

Coast Guard Needs Qualified Former Military Aviators

The U. S. Coast Guard is offering direct commissions to qualified former military aviators to meet the requirements of its stepped up aviation programs. Coast Guard Headquarters has announced.

Heavily increased lifesaving requirements as well as an expanding air fleet will require more pilots in the next two years than can be obtained through normal training programs.

Veteran flying officers interested in becoming Coast Guard aviators should send resume of flight background to Commandant (PTP-2), U. S. Coast Guard, Washington, D. C. 20226. Applicants must be less than 32 years old and be a graduate of a U. S. heavier than air military flight training program.

Wednesday will be the safest day of the week on the highway. During 1965 there were two fatal accidents on Wednesdays, with 2 deaths.

Time of day also makes a difference with the most dangerous time being between 6 p.m. and midnight: 30 of the 94 fatalities occurred during the 6 hour period. Ten of the deaths during the hours before midnight were on Saturday.

Twenty-four persons died on the County's highways in 1965, from noon to 6 p.m. Sunday was the biggest claimer of lives in this period, with nine dead.

From 6 a.m. to noon, 21 persons died. Sunday is again the most dangerous, with 8 dead.

Accidents from midnight to 6 a.m. accounted to

DEATH NOTICES

HARRY E. SORENSON

Mr. Harry E. Sorenson, 71 years old of 321 Sunset Road, Ironwood, Michigan, passed away at 4:00 p.m. Wednesday, Jan. 26, 1966, in the Memorial Hospital at South Bend, Ind. Death was due to injuries received in an automobile accident on the Indiana Toll Road Hwy. 90 near South Bend. He was returning from Hartford, Connecticut and driving to Lake Villa to visit relatives.

He was born Jan. 8, 1895, in Lake Villa, the son of the late Soren and Emma Sorenson.

Mr. Sorenson had served his country during World War I, and held membership in the Ironwood American Legion Post. He is also a member of the Ironwood Methodist Church. He had resided in Ironwood for the past 32 years where he was a butcher, and retired from this occupation 15 years ago. He was preceded in death by his mother, Emma Sorenson, on Dec. 10, 1965, and his father, Soren Sorenson, on July 11, 1937.

Survivors are his wife Eleanor (nee Stonemark) one daughter, Mrs. Raymond (Diane) Yeates, East Hartford, Conn., one brother, Howard Sorenson, Lake Villa, two sisters, Mrs. Edith Sherwood, Lake Villa, and Mrs. Frank (Blanche) Paskausky, Waukegan, and three grandchildren.

Funeral services were held at 1:30 p.m. Monday, Jan. 31, at the Strang Funeral Home in Antioch. Rev. Virgil Smith of the Lake Villa Community Methodist Church officiated at the services. Interment was in Fox Lake Cemetery near Lake Villa.

HARRIET E. SORENSON

Mrs. Harriet E. Sorenson, 46 years old of Monaville Road, Lake Villa, passed away at 4:45 a.m. on Sunday, Jan. 30, at St. Therese Hospital after a four-month illness. She was born March 27, 1919, at Welcome, Minn., and resided at Harvard, Ill., before moving to Lake Villa 35 years ago. She married Howard O. Sorenson on May 15, 1937 at Waukegan.

Survivors are her husband, Howard O., one son, Howard E., in college at Rockford,

a daughter, Miss Bonnie Lee Sorenson, in college at Normal, Ill., her mother, Mrs. Gladys Meyers, Tarpon Springs, Florida, two brothers, Curtis Meyers, Chicago, and Howard Meyer, Waukegan, two sisters, Mrs. Delbert (Madeline) Borecky, Kenosha, and Mrs. Walter (Marion) Borecky, California.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Pastor Harold I. Nelson of St. Mark's Lutheran Church at Lindenhurst, officiated at the services. Interment was in North Shore Garden of Memories Cemetery at Waukegan.

ANTHONY MARFISI

Anthony Marfisi, 76, of 441 Orchard St., Antioch, died Thursday, Jan. 27. He had been a bartender at the Antioch Bowl since September of last year. He had previously worked for Jack Sampayo, proprietor of the Antioch Bowl as a bartender in the first bowling alley Mr. Sampayo owned in Chicago.

Mr. Marfisi was preceded in death by his wife about twelve years ago. His only survivors are several nieces and nephews.

Funeral services were held Monday from the Montclair Funeral Home in Chicago.

EDWARD MENDEL

Edward Mendel, 75 years old, of 1900 Lehmann Blvd., Lake Villa, died suddenly last week. He was preceded in death by his wife, Anna.

Survivors are a daughter, Mrs. Alvin (Gladys) Metzger of Lake Villa and a son, Edward, five grandchildren and three great-grandchildren.

Funeral services were held Thursday, January 27, from the Hitzeman Funeral Home in Brookfield.

ETHEL I. HUGHART

Mrs. Ethel I. Hughart, 61 years old of 309 Columbus Ave., Venetian Village, passed away Sunday, January 30, at 8:30 a.m. in St. Therese Hospital in Waukegan, after a five day illness.

She was born Sept. 21, 1904 at Galva, Ill., and married Wilbur H. Hughart on May 2, 1954 at Geneva, Ill.

She had resided in Aurora before moving to Lake County where she had resided at Zion, Antioch township, and moved to Venetian Village three years ago. She was the area supervisor for a cosmetic firm selling in

Union Leader Urges Repeal of Sec. 14b

"The time has come for Americans to rid themselves of a bad law," Eugene Rawhoof, president of the Lake County Central Trades and Labor Council, AFL-CIO, told delegates at their January meeting.

Rawhoof went on to say he referred to Section 14(b) of the Taft-Hartley Act. He declared that the filibuster which prevented voting on removing 14(b) from the books in the last session of the U. S. Senate in effect disenfranchised the American voter.

Rawhoof urged the delegates to enlist the active support of all their local union members to do whatever they could to work for the immediate repeal of Section 14(b).

In conclusion he reminded his listeners that labor should bear no personal animosity toward the minority leader in the Senate. "Rather we must work to convince him the tactics he is using are not in the best interest of our country and not supported by the public. He should not be permitted to deny the majority of this country's Senators the right to vote on any issue—win or lose, let's have a vote."

several northern Illinois counties. She was preceded in death by her husband, Wilbur H. Hughart on October 19, 1965.

Survivors are two sons, Robert E. Ray, Pittsburgh, Pa., and Richard L. Ray, Gurnee; a sister, Mrs. Milton (Evelyn) Hansen, Aurora, and six grandchildren.

Funeral services were held at 10 a.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Virgil Smith of the Lake Villa Community Methodist Church officiated at the service. Interment was in Fox Lake Cemetery near Lake Villa.

Scout News

The Flag Ceremony opened the meeting of Cub Scout Pack 192 at 7:30 p.m. January 27. The ceremony was presented by Den 2. Color Guards were Gordon Sillanoff, Jim Fischer and Jerry Smouse.

A new Bob Cat, Robert Miller, was welcomed into Pack 192.

Awards were presented by Cubmaster Hellstern and Gordon DeBoer. Wolf badges went to Jerry Schmidt, Larry Kitterman, and Phil Lindberg. Tim Holton and

Joe Renfro received Silver Arrows. Tom Robinson received a Gold Arrow. Two Silver Arrows were awarded to Lee Hayden and Greg Kennedy.

John Mehlhorn earned a Bear badge. Jerry Smouse and Kent Barlow received Lion badges. John Thain, Leonard Benning and Mark Maras received Silver Arrows.

Year pins went to Peter Laursen and John Mehlhorn. Kent Barlow earned his denner stripe and Jim Kuenhold his assistant denner stripes.

Round Up patches were awarded to Richard Miller, Greg Tossey, Ricky Smouse,

John Thain and Larry Kitterman.

Den 3 presented a skit. Hoot and Holler Newspaper. Hospital favors for January were made by Den 2 and taken to St. Therese and the Lake County Hospital.

Cubmaster Hellstern announced that a Webelos Den had been formed, and that the Blue and Gold dinner will be held Feb. 19 at the Wesley Hall.

Members of the pack had on display models, collections and scrap books on Scouting which they had made.

Highlight of the meeting was a Space Derby. Cubbers

had built their own space ships. With several fathers helping, the ships were raced on a rack built by Gordon DeBoer.

First place ribbons in the race went to Tom Robinson, Ricky Smouse, Tim Horton, John Mehlhorn, Dennis Thain, Jim Fischer, Tom Irving, Kent Barlow, and David Edwards.

Second place winners were Greg Kennedy, Brinson Perkins, Jeff Schmidt, Gordon Sillanoff, Billy Petty, John Thain, Glenn Costoff, Billy Carter, Dennis DeBoer, Lee Hayden and Jerry Smouse.

Third place winners were Joe Renfro, Mark Maras, Lar-

ry Kitterman and Phil Lindberg.

Members of Pack 192 will wear their uniforms to school and to church during Scout week, Feb. 7 to 13. There will be a Cub Scout display in the window of Barnstable's Store during the week.

Before we throw up our job with that regular weekly pay check it might be a good idea to figure at current rates of interest the size of the estate it would take to net what we are earning.

Let a Gas dryer brighten
the 60 most miserable
days of the year.

Special trial offer.

SLEET, SNOW, WIND, RAIN—no doubt about it, we'll get our share during the next 60 days. Now's the ideal time to let a gas dryer help you ignore the weather. Take advantage of our 60-day Proof of Performance offer and learn how wonderful a gas clothes dryer can be.

Just visit any Northern Illinois Gas showroom or have one of our representatives call on you. Select the model you'd like to try for 60 days. Choose from one of these leading makes: Hamilton, Norge, Philco-Bendix, Speed Queen, Whirlpool. If you decide not to keep the dryer, we'll pick it up and refund any payments you have made. Low monthly payments can be arranged, with up to 36 months to pay.

Gas dryers dry big loads for just a penny—about one-fourth the cost of other automatics. What you save in operating costs practically pays for your dryer! Gas dryers pay other dividends, too. They're kind to your clothes; save you work, time and trouble. Try one for 60 days. We'll put spring in your step.
